

Announces the Election of New Partners:

MICHAEL P. BRUYERE

SEAN C. FIFIELD

ANNE R. GARR-KRAEMER

DEANNE M. MAZZOCHI

SCOTT R. OSTERICHER

July 2003

[Michael P. Bruyere](#) is a litigator and has significant experience in multi-state complex litigation and class action defense in the areas of trade secret disputes and employment restrictive covenants in the technology industry, product liability, power plant construction, fiber optic cable construction and installation, securities litigation, professional liability, and toxic torts.

[Sean C. Fifield](#)'s practice covers intellectual property protection and licensing, merger and acquisition transactions, venture capital financing, and general corporate business. Sean concentrates in intellectual property and regularly handles matters involving the protection and licensing of patents, copyrights, trademarks, trade secret and related intellectual property rights.

[Anne R. Garr-Kraemer](#)'s practice focuses on a broad range of real estate transactional work as well as environmental law. In particular, Anne has significant experience in project financing, sales and acquisitions, domestic and international commercial leasing transactions and she regularly handles the environmental aspects of real estate practice.

[Deanne M. Mazzochi](#) concentrates in the representation of clients in the intellectual property field, notably in complex patent, trademarks, copyright infringement and trade secret litigation. Her practice has extended internationally, encompassing a variety of commercial litigation and transactional matters, with an emphasis on complex litigation.

[Scott R. Ostericher](#) has counseling, litigation and arbitration experience involving a wide range of complex insurance and reinsurance matters, commercial contracts, and business torts. His focus includes assisting insurance industry clients in complying with the USA Patriot Act's anti-money laundering provisions and the U.S. Treasury Department's OFAC screening requirements. He has also devoted significant time to e-commerce liability issues.
